CERTIFICATIONS

- **Web Development**(CERTIFICATES+INTERNSHIP): Completed a comprehensive web development Course and internship at **Diston Infotech**, where I gained practical experience in building responsive websites using **HTML, CSS, JavaScript, PHP, and AJAX**. Developed key skills in front-end and back-end integration, form handling, and UI interactivity.
- **Full Stack Developer**(CERTIFICATES+INTERNSHIP): Additionally, I completed a **remote internship at Lensroom**, a product-based company, where I contributed to **UI/UX design and development using the MERN stack (MongoDB, Express.js, React.js, Node.js)**. Worked on real-world product interfaces, focusing on user-centered design, component reusability, and performance optimization.
